the building construction work Should be completed as per plan before the expiry date. If it is not possible to complete the construction, request for renewing the planning permit should be submitted to Madras Motropolitan Development Authority before the expiry date. If it is not renewed before the said date fresh Planning Permission application has to be submitted for continuing the construction work when the Development Control Rules that may be currently in force at that time will be applicable. If the construction already put up is in deviation to the approved plan and in violation of rules, planning permit will not be renewed.
