2. The same applies to:

The building construction work should be completed as per plan before the expiry date. If it is not possible to complete the construction, request for extending the planning permit should be submitted to Madras Metropolitan Development Authority before the expiry date. If it is not received before the said date, fresh Planning Permission application has to be submitted by completing the construction work under the Development Control Rules that may be currently in force at that time with an application. If the construction already started is in violation to the approved plan and in violation of rules, Planning permit will not be issued.
