:2:

In respect of water supply, it may be possible for Metro water to extend water supply to a single sump for the above premises for the purpose of drinking and cooking only and confined to 5 persons per dwelling at the rate of 10 lpcd. In respect of requirements of water for other uses, the promoter has to ensure that he/she can make alternate arrangements. In this case also, the promoter should apply for the water connection, after approval of the sanitary proposal and internal works should be taken up only after the approval of the water application. It shall be ensured that all wells, overhead tanks and Septic tanks are hermetically sealed with properly protected vents to avoid mosquito menace.

4. One copy/set of approved plans numbered as Planning Permit No.B/ 24616/86/97 dated: 26.2.87 are sent herewith. The Planning Permit is valid for the period from 26.2.97 to 25.2.99 2000

5. This approval is not final. You have to approach the Madras Corporation for issue of building permit under the respective Local Body Acts, only after which the proposed construction can be commenced.

Yours faithfully,

*C. Subbarao*
