Deposit for building/upflow filter which is valid upto. 25.2.2001

3. As per the Madras Metropolitan Water Supply and
Sewerage Board letter cited in the reference 4 F C. Ltr.
with reference to the sewerage system the promoter has to
submit the necessary sanitary application directly to Metro
water and only after due sanction he/she can commence the
internal sewer works.

p.t.o.

In respect of water supply, it may be possible for Metro water to extend water supply to a single sump for the above premises for the purpose of drinking and cooking only and confined to 5 persons per dwelling at the rate of 10 lpcd. In respect of requirements of water for other uses, the promoter has to ensure that he/she can make alternate arrangements. In this case also, the promoter should apply for the water connection, after approval of the sanitary proposal and internal works should be taken up only after the approval of the water application. It shall be ensured that all wells, overhead tanks and Septic tanks are hermitically sealed with properly protected vents to avoid mosquito menace.
