3. The permit holder should complete the work before the expiry date. If it is not possible to complete the construction, request for renewing the planning permit should be submitted to Grand Metropolitan Development Authority before the expiry date. If it is not received before the said date, fresh planning application has to be submitted for continuing the construction work when the Development Control Rules that may be tentatively in force at that time will be applicable. If the construction already put up is in contravention to the application and in violation of rules planning permit will not be renewed.
