PERMISSION is granted to the lawfully existing building being constructed change of use of land according to the plan filed copy of the plan attached hereto and subject to the conditions overleaf.

1. The permit applies to 15-11-2001

no building construction work should be commenced on any site before the expiry date. If it is not possible to complete the construction, request for extending the planning period should be submitted to Central Metropolitan Development Authority before the expiry date. If it is not obtained before the expiry date from Planning Commission, application has to be submitted for continuing the construction work when the Development Control Rules that may be currently in force at that time will be applicable. If the construction already set up is in violation of the applicable rules, violation of rules Planning permit will not be renewed.
