PERMIT IS GRANTED in the above circumstances of land build-  
 ing according to the plan attached hereto and subject to the condition  
 mentioned.

2. The permit applicant 15/2/2001  
 on getting construction work should be completed in an area before the  
 expiry date. If it is not possible any request for extension should be received. The  
 planning permit should be submitted to District Metropolitan Development Authority  
 before the expiry date. If it is not received before the said date then planning  
 authority construction has to be suspended for commencing the construction work. When the  
 Development Control Board may be satisfied in favour that this will be applicable,  
 if the construction already put up it is objection to the application and violation of rules  
 Planning permit will not be returned.
