3-10-2004

3. The permit holder or the building construction work should be completed at an earlier date than the expiry date. It is to not possible to renew the construction, subject to securing the planning permit should be submitted to Central Metropolitan Development Authority before the expiry date. If it is not secured before the said date then Planning Permission application has to be submitted for continuing the construction work when the Development Control Rules shall then be operative in force at that time will be applicable. If the construction starts after the date in violation of the approved plan and in violation of said Planning permit will not be allowed.
