20-6-2003
3. The permit issued on _____
the building construction work should be completed on or not later than the expiry date. If it is not possible to complete the construction, request for extending the planning permit should be submitted to Chennai Metropolitan Development Authority before the expiry date. If it is not received before the said date then, Planning Permission application can be submitted for considering the construction work when the Development Control Policy that may be necessary to issue at that time will be applicable. If the construction exceeds the date it is declared to the approved plan and in violation of rules Planning permit will not be issued.
