 filter which is ~~valid upto~~

3. The promoter has to submit the necessary sanitary application directly to Metro Water and only after due sanction he/she can commence the internal sewer works.

In respect of water supply, it may be possible for Metro Water to extent water supply to a single sump for the above premises for the purpose of drinking and cooking only and confined to 50 persons per dwelling at the rate of 10 lpcd. In respect of requirements of water for other uses, the promoter has to ensure that he/she can make alternate arrangements. In this case also, the promoter should apply for the water connection, after approval of the sanitary proposal and applications. It shall be ensured that all wells, overhead tanks and septic tanks are hermitically sealed with proper protected vents to avoid mosquito menace. Non provision of rain water harvest structures as shown in the approved plans to the satisfaction of the Authority will also be considered as a deviation to the approved plans and violation of DCA and enforcement action will be taken against such development.

4. Two copy/set of approved plans, numbered C/PP/MSB/03 A/F/2007 Planning Permit No. 00 2330 dated 11/1/2007 are sent herewith. The planning permit is valid for the period from 11/1/2007 to 10/1/2010

5. This approval is not final. The applicant has to approach the Chennai Corporation/~~Municipality/Panchayat Union/Town Panchayat/Township~~ for issue of building permit under the respective Local Body Acts. Only after which the proposed construction can be commenced. ~~Unit of the Chennai Corporation is functioning at CMDA first floor itself for issue of Building Permit.~~
