8. Planning Permission for buildings is issued in accordance with the provisions of the Town & Country Planning Act, 1971 and the rules made there under. This provision does not cover the Structural Stability aspect of the building including the safety during the construction. However, these aspects are covered under the provisions of the Local Bodies Act.

As far as, the Structural Stability aspect of the building is concerned, it falls within the jurisdiction of the Local Body concerned as stated in the connected Building Rules under the respective Local Body Act 1920, such as Madras City Municipal Corporation Act 1919, Tamil Nadu District Municipality Act, Tamil Nadu Panchayat Act. The Planning Permission issued under the provision of Tamil Nadu Town & Country Planning Act 1971, does not cover the Structural Stability aspect. However, it is the sole responsibility of the applicant / developer / Power Agent and the Structural Engineers / Registered Engineers / Architects who has signed in the plan to ensure the safety during construction and after construction and also for its continued structural stability of the buildings. In this regard, the applicant along with the Architect, Structural Engineer, Geo – Technical consultant and Construction Engineer has furnished undertaking in Form – C format.

9. Issuance of Planning Permission by CMDA under the statutory provisions does not confirm any ownership or title over the property, in favour of the applicant. Before issuing planning permission for any development, CMDA in this regard, checks only the aspect of applicant's right over the site under reference to make the development thereon based on the copies of the documents (such as Sale Deed, Patta, Lease Deed, Gift Deed etc., and GPA) furnished by the applicant along with his /her application to prove the same. Thus, CMDA primarily consider only the aspect on whether the applicant prima facie has a right to carry out development on the site under reference.

Any person who acquires interest in the property shall ensure independently about the ownership and the applicant's right before acquiring the same. Further, if any individual claim right (or) title over the property he / she / they shall have to prove it before the appropriate / competent Court to decide on the ownership or get the matter settled in the Court of Law and CMDA is not the competent authority to decide on this matter.

10. The applicant shall be responsible to ensure that the Building/ Structure in the adjoining site are not weakened/ damaged during the construction of Basement floor and also to provide lighting & ventilation and protection from the fire to the satisfaction of Director of Fire and Rescue Service.

11. Applicant has to erect temporary lightning arrester during the entire construction phase of the project.

12. All other statutory clearance as applicable to this project shall be obtained by the project proponent from the competent Authority.

13. The Executive Authority of Local Body before issuing Building Permit for the construction of new building shall ensure if it has a provision in the building design itself for an insulated pipeline from the rooftop in the building to various distribution points where hot water is required. The new building shall have provision for continuous water supply to the solar water heating system. The new building shall also have open space on the roof top to receive direct sun light. The load bearing capacity of the roof shall atleast be 50 Kilogram per Sq.m. All new buildings shall have solar assisted water hearing system installed before they are utilized for business or other activity.

The capacity of solar water assisted water heating system to be installed shall be decided in consultation with the Executive Authority. The recommended minimum capacity shall not be less than 25 Litres per person per day for each bath room and kitchen subject to the condition that maximum of 50 percent of the total roof area is provided with the system as per norms to be fixed by the Tamil Nadu Energy Development Agency from time to time.
