4. The applicant has to submit the necessary sanitary application directly to CMWSSB and only after due sanction he can commence the internal sewer works.

5. In respect of water supply, it may be possible for CMWSSB to extend water supply for the purpose of drinking and cooking only and confined to 5 persons per dwelling at the rate of 10(ten) lpcd. In respect of requirement of water for other uses, the applicant has to ensure that he can make alternate arrangements. In this case also, the applicant should apply for the water connection, after approval of the sanitary proposal and internal works should be taken up only after the approval of the water application. It shall be ensured that all wells, overhead tanks are hermitically sealed with properly protected vents to avoid mosquito menace. Non provision of rain water harvest structures shown in the approved plans to the satisfaction of the Authority will also be considered as a deviation to the approved plans and violation of DR and enforcement action will be taken against such development.

6. The Planning Permission for buildings is issued in accordance with the provisions of the Town & Country Planning Act, 1971 and the rules made there under. All other statutory clearance as applicable to this project shall be obtained by the project proponent from the competent Authority. The Town & Country Planning Act provision does not cover the Structural Stability aspect of the building including the safety during the construction. However, these aspects are covered under the provisions of the Local Bodies Act.

As far as, the Structural Stability aspect of the building is concerned, it falls within the jurisdiction of the Local Body concerned as stated in the Building Rules under the respective Local Body Act 1920, such as Madras City Municipal Corporation Act 1919, Tamil Nadu District Municipality Act, Tamil Nadu Panchayat Act. The Planning Permission issued under the provision of Tamil Nadu Town & Country Planning Act 1971, does not cover the Structural Stability aspect. However, it is the sole responsibility of the applicant / developer / Power Agent and the Structural Engineers / License Surveyor / Architects who has signed in the plan to ensure the safety during construction and after construction and also for the continued structural stability of the buildings. In this regard, applicant along with the Architect and Structural Engineer and Construction Engineer has furnished necessary undertakings for Structural Design Sufficiency as well as for supervision in the prescribed formats.

7. Issuance of Planning Permission by CMDA under the statutory provisions does not confirm any ownership or title over the property, in favour of the applicant. Before issuing Planning Permission for any development, CMDA in this regard, checks only the aspect of applicant's right over the site under reference to make the development thereon based on the copies of the documents (such as Sale Deed, Patta, Lease Deed, Gift Deed etc., and GPA) furnished by the applicant along with his /her application to prove the same. Thus, CMDA primarily considers only the aspect whether the applicant prima facie has a right to carry out development on the site under reference.

Any person who acquires interest in the property shall ensure independently about the ownership and the applicant's right before acquiring the same. Further, if any individual claim right (or) title over the property he / she / they shall have to prove it before the appropriate / competent Court to decide on the ownership or get the matter settled in the Court of Law and CMDA is not the competent authority to decide on this matter.

8. As per G.O.Ms. No. 17 H & UD (UD-4(3) Department dated 05.02.2016, installation of the Solar Photo Voltaic Panel system shall be mandatory and the same shall be provided with minimum 1/3rd of the total Terrace area by the applicant.

9. The project promoter has to advertise, market, book, sell or offer for sale, or invite persons to purchase in any manner any plot, apartment or building, as the case may be, in any Real Estate Project or part of it, only after registering the Real Estate Project with the Real Estate regulatory Authority.

10. Applicant shall not commence construction without building approval from the local body concern. Applicant also has to erect temporary lightning arrester during the entire construction phase of the project.

11. Two sets of approved plans numbered as C/PP/MSB /56(AtoC)/2017, dated .12.2017 in Planning Permit No. 11184 are sent herewith. The Planning Permit is valid for the period from .12.2017 to .12.2022

12. This approval is not final. The applicant has to approach the Commissioner, Greater Chennai Corporation for issue of Building Permit under the Local Body Act.

Yours faithfully,

o/c
