AGENDA ITEM NO. 4.23

Chennai Metropolitan Development Authority – Area Plans Unit – Reclassification Division – Variation to land use – Proposal for reclassification of land use for the land Plot Nos. 102 to 129 forming part of approved layout PPD /LO No. 09/89 comprised Survey Nos. 1/2A, 2B, 129 and 1/130 of Sadayankuppam Village, Tiruvottiyur Taluk, Chennai District, Greater Chennai Corporation limit from Primary Residential Use Zone to Commercial Use Zone to construct warehouse (Godown purpose) applied by Thiru.S.Pandi & P.Saravanan – Subject placed before the Authority for its decision.

RESOLUTION

The Authority deliberated the subject in detail. The Authority took note of the Minutes of the Technical Committee Meeting held on 21.12.2021 and surrounding developments. The Authority was informed that the site under reference forms part of the approved layout PPD/LO No.09/1989 and encroachment of 30 feet wide approved layout public road passing through the site under reference.

Therefore, the Authority resolved to reject the reclassification of the site under reference from Primary Residential Use Zone to Commercial Use Zone for the construction of warehouse (Godown purpose).

The following observations / suggestions emerged during discussion on the reclassification subjects in the 268th Authority Meeting:

1. The norms may be evolved for scrutinizing the spot reclassification cases i.e., individual cases.
2. The possibilities of comprehensive zoning to be explored in future reclassification cases / Third Master Plan for Chennai Metropolitan Area.
3. As per Second Master Plan for Chennai Metropolitan Area the Residential activity is classified as Primary and Mixed, whereas in TNCDBR, 2019 both Primary Residential and Mixed Residential are classified as Residential only. Therefore, for adopting the Mixed Residential Use proposed in the Second Master Plan may be explored with the amendment of TNCBR, 2019.
4. All the Reclassification proposals approved with reference to the Second Master Plan for Chennai Metropolitan Area are to be taken into account on the preparation of Third Master Plan for Chennai Metropolitan Area.
5. Flood line in the rivers / tanks and other water bodies within Chennai Metropolitan Area be mapped in the Third Master Plan.

6. The specific remarks to be obtained from Revenue Department / Public Works Department on the Patta and drainage pattern for the reclassification cases adjacent / nearby water bodies.

The clarification required to be obtained from the Commissioner of Survey and Settlement Department on the reclassification cases.
