Note:

1. The street alignment shall be half width of right of way measured on either side of the central line of the road as existing in cases where specific street alignment has not been indicated in the plan. The centre-line of the streets shall be arrived based on the width preceding widening, (if any done) of that part of the road / street. In cases where Railway line abuts on one side, the proposed widening shall be totally on the other side.
2. In cases where street alignment are shown on one side or unequally on both sides of an existing road, then it should be left as shown in the plan.

The maps showing the proposed Street Alignments are available for inspection in this office between 3:00 p.m. to 5.00 p.m. on any working day at the Counseling & Consultancy Counter at First Floor, East Wing of Chennai Metropolitan Development Authority, Thalamuthu-Natarajan Building, No.1, Gandhi Irwin Road, Egmore, Chennai – 600 008. Any person who intends to make any objection/suggestion/representation regarding the Street alignment proposal may do so in writing addressed to the Member Secretary, Chennai Metropolitan Development Authority within 21 days from the date of this Notification.

The above notification is available in the official website of CMDA viz., www.cmdachennai.gov.in
